AMERICA INTERPRETATION

Public-sector interpretation capability statement

America Interpretation Inc. provides human conference interpretation for public bodies, associations and institutions. Online service is available across Canada. Equipment and technical support are available in Quebec.

Services

- French–English simultaneous interpretation for online, hybrid and on-site meetings.
- Other language pairs on request. Interpreter selection depends on the subject, dates and languages.

Requirements to confirm

- Specify confidentiality terms and any required security clearance or interpreter credentials.
- Identify who supplies the room audio, language channels and on-site equipment.

What the quote covers

- Proposed interpreter team, coverage, preparation and any technical services included.
- Availability and documentation against the requirements of this mandate.

What to include in your request

- Send the date, duration, language pairs, format, agenda and procurement deadline.
- Contact info@americainterpretation.com or call 1 866 318-8886.
